Prof. Nikolay Nikolaevich Kradin  
Director of IHAЕ FEB RAS

Dear Prof. N.N. Kradin,

On behalf of the School of Ethnology and Sociology (SES), Inner Mongolia University, I send our cordial congratulations to the Institute of History, Archaeology and Ethnology of the Far Eastern Branch of the Russian Academy of Sciences (IHAЕ FEB RAS), on the occasion of celebrating the 50th anniversary of its foundation.

During 50 years of development, the Institute has become a leading scientific centre in the field of humanitarian studies of the Russian Far East and neighboring East Asian countries. Today, the Institute is a well-known complex and multidisciplinary scientific institution which carries out comprehensive investigation in the field of archaeology, ethnology, regional history, oriental studies, philology, and international relations.

In 2016, SES was honored to invite Prof. N.N. Kradin to give a series of lectures, such as "What is Nomadism?", "Xiongnu Empire", "Jurchen Empire", "Mongol Empire", and "Contemporary Nomads". This became the starting point for the cooperation between our School and the Institute. And I sincerely hope that we will have more fruitful cooperation in the field of ethnology and anthropology of Siberia, Inner Asia, and North East Asia in the near future.

I am delighted with that the Institute will celebrate the 50th anniversary of its foundation on July 1, 2021. It is with great pleasure that I send my best wishes to Prof. N.N. Kradin and to all of the distinguished scholars of the Institute.

With deep respect, and congratulations,  
Altanbulag
